

Analysis of USAID Strategies

Which USAID missions are most interested in AET and (rural) workforce development?

Country Development Cooperation Strategies (CDCS)

- Guide decisions of every mission and regional bureau
- Revised every five years
- 59 documents posted
 - 22 Africa (including 4 regional)
 - 12 Asia (including 2 regional)
 - 9 Europe and Eurasia
 - 12 Latin America and Caribbean (including 2 regional)
 - 4 Middle East

Data on:

- 51 country strategies
- 8 regional strategies

Feed the Future Strategies

- Guide decisions for FTF programming
- Five years
- 19 FTF countries plus 5 regional programs

Data on:

- 19 country strategies
- 4 regional strategies

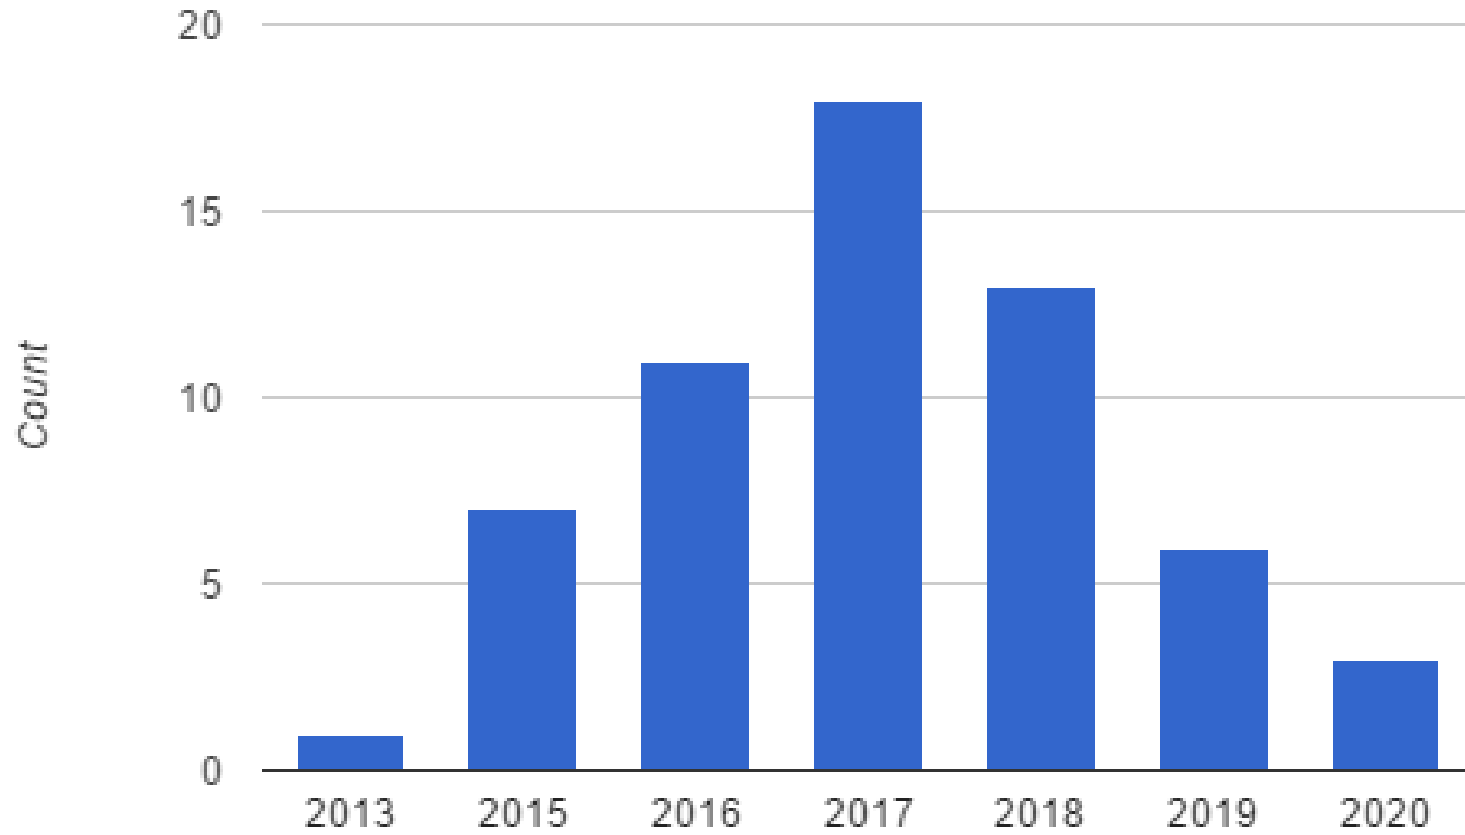

Question 1. What strategies will soon be revised?

Question 2. What documents suggest interest in AET or rural workforce development activities?

Preliminary analysis: Look at FTF countries

- All FTF strategies 2010 -2015 with one exception

CDCS Strategy Expiration Dates

FTF Countries most likely interested in InnovATE

2015	2016	2017	2018+
Ethiopia	Bangladesh Guatemala Senegal	Cambodia Kenya Liberia	Honduras Mali Mozambique Rwanda Tanzania

Yellow = AET interest
