Meeting Objectives

- Present thematic work completed or in progress for Year 4
- Facilitate discussion of opportunities and gaps to address in each theme
- Present findings from CDCS analysis and discuss opportunities for Design Activities
- Address shortfalls in meeting project indicators and strategize successful outcomes
- Identify and prioritize activities and tasks for inclusion in the Year 5 Work Plan

Session Guidance

Presenters should use no more than 20 minutes to present completed work or work in progress. (10 slides max). Let Johanna know if you will need Powerpoint, Prezi or other software to present training modules or other information. The remaining 50-60 minutes should be used for open discussion facilitated by the discussion leader.
